FOREWORD

As we move toward the open window of the future, may we turn from time to time to the shadowy portals of the past. May our lingering gaze fall upon the familiar surroundings of old G.H.S., upon precious incidents of our days spent here, upon the faces of old friends grown more dear to us through passing years.

In publishing this book, we hope to make more permanent the most outstanding of these memories, to keep awake some spark of pride in our having belonged here, and to foster a desire to make good the purpose of this institution in bearing up the standards we have helped set for it.

With these thoughts in mind, we, the Glahisean staff, present to you the 1963 Senior Annual.

MISS ELSIE McCLURE

DEDICATION

As adults striving for success and happiness in society, it is not probable that we will dwell on the past often. Perhaps, though, on an occasion when we discover an old yearbook hidden in a dusty trunk or buried under mountains of old treasures, we will turn once again to the pages of the past, the gaiety and free spirit of a youth forgotten. It is certain that memories will come flooding back, -- the Prom, the Senior Dance, football and basketball, hayrides, the Washington Trip, and just school itself. Among all our memories, however, one figure shall remain clearly stamped in our minds. Under the heading "Science Department -- Biology" is the picture of a person who has been loved and deeply respected by many classes before ours. This person is Miss Elsie McClure, our teacher, our helpmate, our friend. To blot her from our memories would be almost impossible for she has taught us the fundamentals of life, the very nature around us, and imprinted in each of us a better understanding of God's wonders. We owe her a debt far greater than money or materialistic goods could cover and words could equal.

In dedicating this yearbook to you, Miss McClure, we just wish to say "Thank you for the privilege of having known you."

President -- Dave Kantorczyk, Mr. Urbanski -- Advisor, Secretary -- Elaine Ejchost, Vice President -- Ron Pomykala. Treasurer -- Phil Curry.

With Mr. Eugene Urbanski as adviser and Dave Kantorczyk as president, the "Class of 1963" was one of the busiest groups at G.H.S. The selling of Christmas cards and wrappings helped finance our main project: Glahisean 1963. Our annual Senior Christmas Ball was a huge success as was our After-Prom Party which high-lighted the year. All in all, the Class of '63 was a busy, energetic, and successful group.

The Junior Class are the "busy beavers" of the high school. They must earn a great deal of money to defray the cost of the Junior-Senior Prom as well as contribute to their year-book. This year's class was very energetic while selling candy for Christmas and Easter. They were very proud of their Homecoming float also. This year the junior class float won second prize.

The Dramatic Club of Glassport High School presents two plays each year. In addition, this year the club also presented a special program at Christmas and Easter. In order to gain a better knowledge of their activity the club attends plays given by near-by colleges. A high spot of the year is the dinner and play at the Pittsburgh Playhouse. The group tours backstage at the Playhouse, and thus learns a great deal about professional acting.

The club adviser is Mrs. Eleanor Tragesser. Club president who was not present for the picture is Jackie Clifford.

COACHING STAFF

Leonard Demalon, Head Coach Mike Kurka, Burton Hays (Not present: Joe Lapkowicz).

Our football team accomplished more than their record shows. The players displayed the desire to win and learn. They exhibited fine sportsmanship both on and off the field. Our boys were not very big and often played against much bigger teams -- but they always fought hard and never gave up. The team worked well as a unit both on the gridiron and off. The bumps and bruises the players received will disappear; but the memories of the 1963 Gladiators will remain.

This certainly has been a challenging year for coach Timmy Lokash and the Varsity Glads. Entering the 1962-63 season in a new position as head coach, Mr. Lokash had a hard task before him with only two seniors, Dave Kanotrczyk and Gerry Spanbauer on the team. Juniors, Purnell, Florko, Stulak, Piekut, and sophomores, Wozniak and Mike Stulak made up the backbone of the team. One junior, Tom Crosby, was out much of the season because of injuries.

Perhaps the most exciting and memorable game of the year took place with Thomas Jefferson, when the Glads snatched a winning two points in the last 30 seconds of the fourth quarter. Though they did not win every contest, the G.H.S. team displayed school spirit, and good sportsmanship in every game.

ACKNOWLEDGMENT

We want to extend our sincere appreciation to so many people who helped to make this edition of the Glahisean a reality. We realize that without the cooperation of the administration and faculty the work would have been impossible. Without the financial assistance of the subscribers, advertisers, and patrons we couldn't have published this book. We especially wish to thank Mr. Sam Buchman of Buchman-Birch Studios and Mr. Peter Neft of the American Yearbook Company. Without their understanding assistance our task would have been so much greater. Again, many, many thanks to all who made the 1963 Glahisean possible.
